

BEACH

SAFETY

OBEY THE LIFEGUARD

Our staff is trained and certified by the American Red Cross. Their knowledge of water, beach and pool safety should be respected. Please don't distract them. Please listen to them and follow the rules. Their #1 priority is your safety!

DON'T LITTER!!
Keep our beautiful Branford beaches clean.

DONT SWIM TOO FAR OUT

Stay within the boundaries set up by the line of bouys. Harbor boat traffic makes swimming beyond that point dangerous.

NO ALCOHOL DRINKING

Drinking alcohol in the sun and heat combined with swimming is a recipe for disaster. Don't let a tragedy befall you or your family. Never combine drinking alcohol with any water activities.

We are a proud provider for the American Red Cross. For more water safety information, visit:
www.redcross.org/watersafety
