Parker Memorial Park Parking Lot Paving

The Town of Branford will be paving the roadway and making improvements to the parking lot at Parker Memorial Park on Friday, June 12, 2020. During this time, residents are advised that there will be no parking access to Branford Point Beach on Friday, June 12, 2020. The road way and parking area will be reopened on Saturday, June 13, 2020.

The long anticipated project will improve traffic circulation and provide safety improvements.

Thank you for your patience and cooperation while we work to improve the community for our residents.
