STRING ART FOR ADULTS

**Design
Choices:
Mason Jar
Paw Print
Home
Arrows
Anchor
Heart**

String art is one of the most aesthetically pleasing DIY projects you can do. Often referred to as pin-and thread art, string art is an addicting artform that is inviting to beginners and experienced crafters.

The process is simple: hammer your nails, string the floss around the nails and hang your creation!

Are you ready to create your own string art masterpiece?
