Welcome Spring: As we continue to navigate through the ever changing COVID-19 pandemic, we want to thank you for your patience and support over the past year. Throughout the Spring and as Summer approaches, it is a good time to take a collaborative breath and appreciate the remarkable ways that our department faced the challenges of COVID-19 throughout 2020. Our staff quickly changed gears to offer many opportunities to our residents. Moving forward we continue to seek ways to connect our department and the community in a variety of ways. The COVID-19 pandemic has dramatically altered **our approach to operating programs as the State begins to open up. We are planning for in-person summer camps** and programs, as well as continuing to offer virtual programming to meet all needs. We want to provide the best customer service possible to all our families and will be adhering to CDC, local and OEC guidelines when planning programs, camps

and activities. In our planning, the primary focus is to keep the community healthy and to protect the public. Our Department has designed Spring and Summer programs to meet public health guidance and to be flexible as conditions continue to change. We ask that you continue to be patient, support us as we work together to overcome challenges and follow the best practices to keep our community safe.

Our staff has been planning for a fun summer camp experience! We are excited to have your children with us, however due to COVID our camps will look different. Please browse our Spring/Summer offerings and complete a registration. We anticipate that camps will fill QUICKLY! **Mark your calendars... Registration begins May 3rd for "Fun Under The Sun-Kids Camps", "Little Explorers Kids Camp" and "Shoreline Theatre Co. Camp"**. In addition to our many program offerings, we have partnered with some of the best local specialty camp providers to offer the most diverse and exciting array of activities and programs working within the guidelines of State, and Local COVID requirements. Happy Spring...Stay Safe & Healthy!!

NOTE: Please visit our website for added classes and updates to this brochure.

COVID-19 REQUIREMENTS FOR ATTENDING CLASSES

1. If you do not feel well, stay home!
2. If you have been in contact with someone who has tested positive for COVID-19 within the last 10 days please do not attend classes/activities.
3. Plan to arrive 10 minutes before class time to be checked in. All participants will have their temperature taken and will sanitize their hands. Any participant with a temperature of 99.5 or higher will be sent home and advised to contact their medical provider.
4. Please wear a mask or face covering. Parents /Adults must wear a mask at all times (children under the age of 3 years do not need to wear a mask).
5. Only those registered for the class may attend. If you are enrolled in a parent/child class, only one parent may attend with the child. Unfortunately at this time siblings are not able to attend.
6. Be prepared for limited access to public restrooms and water fountains. Prepare: "Go Before You Go".
7. Please be respectful of other participants.
8. Follow CDC's guidance on personal hygiene prior to attending class.
