

NEW HAVEN **BALLET**

LISA KIM SANBORN ARTISTIC DIRECTOR

DRESS CODE

New Haven Ballet requires students to wear a class uniform in all classes. Students may wear ballet sweaters and thin leg warmers that match the color of their tights or leotard during the cold winter months. No skirts or other items are permitted unless included in the students' prescribed class uniform. Students who cannot style their own hair should arrive with their hair secured away from the face in a clean and neat fashion. Hair should not touch the neck when standing or hit the face when turning. Elastic hair ties, nets, bobbi bins, hair gel, and hair spray may be used so that hair does not fall down. Except for small earrings, jewelry should not be worn during dance class.

New Haven Ballet's class uniform is available for purchase at the following local dancewear stores:
