## "Pronounced Ah-Beetz"

This exhibit examines the fun, the flavor and the history of pizza, including its origin as an affordable means of feeding workers in the fields of Italy, and how it became the food of the poor in the U.S. The Italian migration to New Haven gave way to Frank Pepe's Pizzeria Napoletana, which gave birth to Sally's Apizza, while a mile away Tony's Apizza became Modern. How these three establishments became among the most iconically loved pizza restaurants in the country is a major focus of the exhibition

## Insight

A group for people dealing with or supporting those with decreasing vision led by Maureen Carr.

- Are you trying to cope with losing your vision?
- Are you frustrated because easy tasks are now almost impossible?
- Is not being able to drive driving you crazy?
- Are family members too helpful or not helpful enough?

A little bit about Maureen: She has a master's in counseling with a lifetime of experience helping people with low vision and blindness. As a person who has been legally blind since birth, Maureen has had the opportunity to learn and cultivate strategies which allow her to maximize her resources and objectives. These skills have not only allowed her to flourish in a world that is quite visually oriented, but to develop alternative solutions to ordinary daily tasks. This skill cultivation has many overlapping benefits for everyday life for anyone. We use creative thinking, openness, resourcefulness, specific skill techniques to mention a few.

Come and gain new **INSIGHT** in your world. March's group will meet twice on **March 4th and 18th at 10:30 am.**
