Memorial Day, originally called Decoration Day, is a U.S. federal holiday honoring military personnel who died in service. First observed on May 30, 1868, it was established by John A. Logan to honor Union soldiers killed in the Civil War. In 1968, Congress moved the holiday to the last Monday in May, and in 1971, it was officially renamed Memorial Day.

**Remembering Our Warriors,
Rejoicing in Freedom**
